Item 4.01 Changes in Registrant's Certifying Accountant

Previous Independent Accountants

On December 5, 2013, we dismissed LBB & Associates Ltd., LLP ("LLB"), as our independent accountant. The reports of LLB, on our financial statements for each of the past two fiscal years contained no adverse opinion or a disclaimer of opinion and were not modified; however, the reports were qualified as to the uncertainty of our ability to continue as a going concern due to our dependence on a successful execution of our plan of operations and ability to raise additional financing, lack of our generation of revenues, and our stockholders' deficit and negative working capital. The decision to change independent accountants was approved by our Board of Directors on December 5, 2013.

During our two most recent fiscal years and through the date of this report, we have had no disagreements with LLB, on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of LLB, would have caused it to make reference to the subject matter of such disagreements in its report on our financial statements for such periods.

During our two most recent fiscal years and through the date of this report on Form 8-K, there have been no reportable events as defined under Item 304(a)(1)(v) of Regulation S-K adopted by the SEC.

We provided LLB, with a copy of this disclosure before its filing with the SEC. We requested that LLB, provide us with a letter addressed to the SEC stating whether or not it agrees with the above statements, and we received a letter from LLB, stating that it does agree with the above statements. A copy of such letter, dated as of December 11, 2013 is filed as Exhibit 16.1 to this report.

New Independent Accountants

Our Board of Directors appointed Anton & Chia, LLP ("ACLLP") as our new independent registered public accounting firm effective as of December 5, 2013. During the two most recent fiscal years and through the date of our engagement, we did not consult with ACLLP regarding either (1) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our financial statements, or (2) any matter that was either the subject of a disagreement or a reportable event (as defined in Item 304(a)(1)(v) of Regulation S-K).
