## **Item 1.01 Entry into a Material Definitive Agreement.**

### ***Private Placement***

On March 14 and March 20, 2014, Next Graphite, Inc., a Nevada corporation (formerly Zewar Jewellery, Inc., the "Company") consummated a private placement of an aggregate of 550,000 shares of its common stock, par value \$0.001 per share ("Common Stock"), for gross proceeds of \$550,000 at a per share price of \$1.00 pursuant to a Subscription Agreement with an accredited investor.

The Subscription Agreement contains representations and warranties of the Company and the investor which are customary for transactions of this type. It also obligates the parties to the agreement to indemnify each other for any losses arising out of any breach of the agreement or failure by such party to perform with respect to the representations, warranties or covenants contained in the agreement.

The foregoing description of the Subscription Agreement is qualified in its entirety by the form of the agreement annexed hereto as Exhibit 10.1.

### ***Consulting Agreement***

On March 20, 2014, the Company entered into a consulting agreement with Wall Street Relations, Inc. (the "Consultant"). Under the agreement, the Consultant will provide to the Company public relations, communications, advisory and consulting services. The term of the agreement is 12 months. For the services to be rendered under the agreement, the Company will pay to the Consultant during the term of the agreement an aggregate amount of \$500,000 in cash.

The foregoing description of the consulting agreement is qualified in its entirety by the form of the agreement annexed hereto as Exhibit 10.2.

## **Item 2.01 Completion of Acquisition or Disposition of Assets.**

As previously reported in the current report on Form 8-K filed by the Company with the SEC on November 20, 2013, and in the current report on Form 8-K/A filed by the Company with the SEC on December 6, 2012, the Company's wholly-owned subsidiary African Graphite, Inc., a Nevada corporation ("AGI"), entered into a Stock Purchase Option Agreement dated November 14, 2013 (the "Option Agreement"), with NMC Corp., a corporation organized under the laws of the Province of Ontario, Canada ("NMC"), whereby NMC granted to AGI an option to purchase 90 ordinary shares, par value one Namibian dollar per share, of Gazania Investments Two Hundred and Forty Two (Proprietary) Limited, a corporation organized under the laws of the Republic of Namibia ("Gazania"), representing 90% of the issued and outstanding shares of Gazania, for \$240,000. Gazania currently holds an exclusive prospective license that grants the right to conduct prospecting operations in the license area called AUKAM located in southern Namibia in the Karas Region within the Betaine district. The license area covers about 49,127 hectares. The only mine in Namibia which has produced graphite is situated in the license area. The ore body lies on the eastern slope of a prominent range of hills which rises 120 to 150 meters above the level of the surrounding sand-covered valleys. The country rock consists almost entirely of grayish, medium-to-coarse grained granite and gneissic rocks of the Namaqualand Metamorphic Complex.

Under the Option Agreement, AGI is required to pay to NMC \$90,000 as an advance payment to be credited towards the purchase price of the Gazania shares. The Company made the advance payment on November 14, 2013. The balance of the purchase price in the amount of \$150,000 was paid by AGI upon exercise of the option that was completed on March 14, 2014. As a result, Gazania became a direct wholly-owned subsidiary of AGI.

In connection with the option exercise closing, 12,600,003 post-split shares of Common Stock previously issued to NMC under the Option Agreement were released to NMC from escrow.

The foregoing description of the terms of the Option Agreement is qualified in its entirety by the text of the agreement annexed hereto as Exhibit 10.3.

Such Subscriber is not required to obtain any consent, authorization or order of, or make any filing or registration with, any court or governmental agency in order for it to execute, deliver or perform any of its obligations under this Agreement and the other Transaction Documents or to purchase the Purchased Securities in accordance with the terms hereof, provided that for purposes of the representation made in this sentence, such Subscriber is assuming and relying upon the accuracy of the relevant representations and agreements of the Company herein.

---

(d) Acquisition for Investment. The Subscriber is acquiring the Purchased Securities solely for its own account for the purpose of investment and not with a view to or for resale in connection with a distribution. The Subscriber does not have a present intention to sell the Purchased Securities, nor a present arrangement (whether or not legally binding) or intention to effect any distribution of the Purchased Securities to or through any person or entity; provided, however, that by making the representations herein and subject to Section 3(h) below, the Subscriber does not agree to hold the Purchased Securities for any minimum or other specific term and reserves the right to dispose of the Purchased Securities at any time in accordance with Federal and state securities laws applicable to such disposition. The Subscriber acknowledges that it is able to bear the financial risks associated with an investment in the Purchased Securities and that it has been given full access to such records of the Company and the subsidiaries and to the officers of the Company and the subsidiaries and received such information as it has deemed necessary or appropriate to conduct its due diligence investigation and has sufficient knowledge and experience in investing in companies similar to the Company in terms of the Company's stage of development so as to be able to evaluate the risks and merits of its investment in the Company. The Subscriber further acknowledges that the Subscriber understands the risks of investing in companies which operate primarily in Ukraine and that the purchase of the Purchased Securities involves substantial risks.

(e) Information on Company. Such Subscriber has been furnished with or has had access to the EDGAR Website of the Commission and to the Company's Form 10-Q filed on EDGAR on August 27, 2013 for the fiscal quarter ended July 31, 2013, together with all other filings made with the Commission available at the EDGAR website (hereinafter referred to collectively as the "**Reports**") and all correspondence from the Commission to the Company including but not limited to the Commission's comment letters relating to the Company's periodic filings with the Commission whether available at the EDGAR website or not. (g) Information on Subscriber. If the Subscriber is a U.S. Person (as that term is defined in Section 3(o) of this Agreement), then such Subscriber represents that the Subscriber is, and will be on the Closing Date, an “**accredited investor**”, as such term is defined in Regulation D promulgated by the Commission under the 1933 Act, is experienced in investments and business matters, has made investments of a speculative nature and has purchased securities of United States publicly-owned companies in private placements in the past and, with its representatives, has such knowledge and experience in financial, tax and other business matters as to enable such Subscriber to utilize the information made available by the Company to evaluate the merits and risks of and to make an informed investment decision with respect to the proposed purchase, which represents a speculative investment. Such Subscriber has the authority and is duly and legally qualified to purchase and own the Purchased Securities. Such Subscriber is able to bear the risk of such investment for an indefinite period and to afford a complete loss thereof. The information set forth on the signature page hereto regarding such Subscriber is accurate.

(h) Compliance with 1933 Act. If a U.S. Person, such Subscriber understands and agrees that the Purchased Securities have not been registered under the 1933 Act or any applicable state securities laws, by reason of their issuance in a transaction that does not require registration under the 1933 Act (based in part on the accuracy of the representations and warranties of the Subscriber contained herein), and that such Purchased Securities must be held indefinitely unless a subsequent disposition is registered under the 1933 Act or any applicable state securities laws or is exempt from such registration. The Subscriber acknowledges that the Subscriber is familiar with Rule 144 of the rules and regulations of the Commission, as amended, promulgated pursuant to the 1933 Act (“**Rule 144**”), and that such person has been advised that Rule 144 permits resales only under certain circumstances. The Subscriber understands that to the extent that Rule 144 is not available, the Subscriber will be unable to sell any Purchased Securities without either registration under the 1933 Act or the existence of another exemption from such registration requirement. In any event, and subject to compliance with applicable securities laws, the Subscriber may enter into lawful hedging transactions in the course of hedging the position they assume and the Subscriber may also enter into lawful short positions or other derivative transactions relating to the Purchased Securities, and deliver the Purchased Securities, to close out their short or other positions or otherwise settle other transactions, or loan or pledge the Purchased Securities, to third parties who in turn may dispose of these Purchased Securities.

(i) Purchased Securities Legend. The Purchased Securities shall bear the following or similar legend:

**“THE ISSUANCE AND SALE OF THE PURCHASED SECURITIES REPRESENTED BY THIS CERTIFICATE HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, NOR APPLICABLE STATE SECURITIES LAWS. THE PURCHASED SECURITIES MAY NOT BE OFFERED FOR SALE, SOLD, TRANSFERRED OR ASSIGNED IN THE ABSENCE OF (A) AN EFFECTIVE REGISTRATION STATEMENT FOR THE PURCHASED SECURITIES UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR (B) AN OPINION OF COUNSEL (WHICH COUNSEL SHALL BE SELECTED BY THE HOLDER), IN A GENERALLY ACCEPTABLE FORM, THAT REGISTRATION IS NOT REQUIRED UNDER SAID ACT OR PURSUANT TO RULE 144 OR RULE 144A UNDER SAID ACT, OR OTHERWISE. NOTWITHSTANDING THE FOREGOING, THE PURCHASED SECURITIES MAY BE PLEDGED IN CONNECTION WITH A BONA FIDE MARGIN ACCOUNT OR OTHER LOAN OR FINANCING ARRANGEMENT SECURED BY THE PURCHASED SECURITIES.”**

---

(j) Communication of Offer. The offer to sell the Purchased Securities was directly communicated to such Subscriber by the Company. At no time was such Subscriber presented with or solicited by any leaflet, newspaper or magazine article, radio or television advertisement, or any other form of general advertising or solicited or invited to attend a promotional meeting otherwise than in connection and concurrently with such communicated offer.

(k) Restricted Securities. Such Subscriber understands that the Purchased Securities have not been registered under the 1933 Act and such Subscriber will not sell, offer to sell, assign, pledge, hypothecate or otherwise transfer any of the Purchased Securities unless pursuant to an effective registration statement under the 1933 Act, or unless an exemption from registration is available. Notwithstanding anything to the contrary contained in this Agreement, such Subscriber may transfer (without restriction and without the need for an opinion of counsel) the Purchased Securities to its Affiliates (as defined below) provided that each such Affiliate is an “accredited investor” under Regulation D and such Affiliate agrees to be bound by the terms and conditions of this Agreement. For the purposes of this Agreement, an “**Affiliate**” of any person or entity means any other person or entity directly or indirectly controlling, controlled by or under direct or indirect common control with such person or entity. Such Subscriber understands that no United States federal or state agency or any other governmental or state agency has passed on or made recommendations or endorsement of the Purchased Securities or the suitability of the investment in the Purchased Securities nor have such authorities passed upon or endorsed the merits of the offering of the Purchased Securities.

(m) Correctness of Representations. Such Subscriber represents that the foregoing representations and warranties are true and correct as of the date hereof and, unless such Subscriber otherwise notifies the Company prior to the Closing Date, shall be true and correct as of the Closing Date. The Subscriber understands that the Purchased Securities are being offered and sold in reliance on a transactional exemption from the registration requirement of Federal and state securities laws and the Company is relying upon the truth and accuracy of the representations, warranties, agreements, acknowledgments and understandings of the Subscriber set forth herein in order to determine the applicability of such exemptions and the suitability of the Subscriber to acquire the Purchased Securities.

---

(n) Short Sales and Confidentiality. Other than the transaction contemplated hereunder, the Subscriber has not directly or indirectly, nor has any person acting on behalf of or pursuant to any understanding with the Subscriber, executed any disposition, including short sales (but not including the location and/or reservation of borrowable shares of Common Stock), in the securities of the Company during the period commencing from the time that the Subscriber first received a term sheet from the Company or any other person setting forth the material terms of the transactions contemplated hereunder until the date that the transactions contemplated by this Agreement are first publicly announced. The Subscriber covenants that until such time as the transactions contemplated by this Agreement are publicly disclosed by the Company, the Subscriber will maintain the confidentiality of all disclosures made to it in connection with this transaction (including the existence and terms of this transaction).

(o) Additional Representations, Warranties and Covenants of Non-U.S. Persons.

(i) The Subscriber understands that the investment offered hereunder has not been registered under the 1933 Act.

(ii) If the Subscriber is not a “U.S. Person” (as defined below), the Subscriber agrees and acknowledges that it was not, a “U.S. Person” at the time the Subscriber was offered the Purchased Securities and as of the date hereof:

-

“**United States**” or “**U.S.**” means the United States of America, its territories and possessions, any State of the United States, and the District of Columbia.

(iii) The Subscriber understands that no action has been or will be taken in any jurisdiction by the Company that would permit a public offering of the Purchased Securities in any country or jurisdiction where action for that purpose is required.

(iv) The Subscriber (i) as of the execution date of this Agreement is not located within the United States, and (ii) is not purchasing the Purchased Securities for the account or benefit of any U.S. Person, except in accordance with one or more available exemptions from the registration requirements of the 1933 Act or in a transaction not subject thereto.

4. Company Representations and Warranties. The Company represents and warrants to and agrees with each Subscriber that:

(a) Due Incorporation. The Company is a corporation or other entity duly incorporated or organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization and has the requisite corporate power to own its properties and to carry on its business as presently conducted. The Company is duly qualified as a foreign corporation to do business and is in good standing in each jurisdiction where the nature of the business conducted or property owned by it makes such qualification necessary, other than those jurisdictions in which the failure to so qualify would not have a Material Adverse Effect. For purposes of this Agreement, a “**Material Adverse Effect**” means any material adverse effect on the business, operations, properties, or financial condition of the Company and its Subsidiaries individually, or in the aggregate and/or any condition, circumstance, or situation that would prohibit or otherwise materially interfere with the ability of the Company to perform any of its obligations under this Agreement in any material respect. As of the Closing Date, all of the Company’s Subsidiaries and the Company’s ownership interest therein are set forth on **Schedule 4(a)**.

---

(b) Outstanding Stock. All issued and outstanding shares of capital stock and equity interests in the Company have been duly authorized and validly issued and are fully paid and non-assessable.

(c) Authority; Enforceability. This Agreement, the Lock-Up Agreements, the Stock Escrow Agreement, and any other agreements delivered together with this Agreement or in connection herewith (collectively, the “**Transaction Documents**”) have been duly authorized, executed and delivered by the Company and are valid and binding agreements of the Company enforceable in accordance with their terms, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors’ rights generally and to general principles of equity. The Company has full corporate power and authority necessary to enter into and deliver the Transaction Documents and to perform its obligations thereunder.

(d) Capitalization and Additional Issuances. The authorized and outstanding capital stock of the Company and Subsidiaries on a fully diluted basis as of the date of this Agreement and the Closing Date (not including the Purchased Securities) are set forth on **Schedule 4(d)**. Except as set forth on **Schedule 4(d)**, there are no options, warrants, or rights to subscribe to, securities, rights, understandings or obligations convertible into or exchangeable for or giving any right to subscribe for any shares of capital stock or other equity interest of the Company or any of the Subsidiaries. The only officer, director, employee and consultant stock option or stock incentive plan or similar plan currently in effect or contemplated by the Company is described on **Schedule 4.1(d)**. There are no outstanding agreements or preemptive or similar rights affecting the Company’s common stock.

(e) Consents. No consent, approval, authorization or order of any court, governmental agency or body or arbitrator having jurisdiction over the Company, or any of its Affiliates, the Over The Counter Bulletin Board (the “**Bulletin Board**”) or the Company’s stockholders is required for the execution by the Company of the Transaction Documents and compliance and performance by the Company of its obligations under the Transaction Documents, including, without limitation, the issuance and sale of the Purchased Securities. The Transaction Documents and the Company’s performance of its obligations thereunder have been unanimously approved by the Company’s Board of Directors. No consent, approval, order or authorization of, or registration, qualification, designation, declaration or filing with, any governmental authority in the world, including without limitation, the United States, or elsewhere is required by the Company or any Affiliate of the Company in connection with the consummation of the transactions contemplated by this Agreement, except as would not otherwise have a Material Adverse Effect or the consummation of any of the other agreements, covenants or commitments of the Company or any Subsidiary contemplated by the other Transaction Documents. Any such qualifications and filings will, in the case of qualifications, be effective on the Closing and will, in the case of filings, be made within the time prescribed by law.

---

(f) No Violation or Conflict. Assuming the representations and warranties of the Subscriber in Section 3 are true and correct, neither the issuance nor sale of the Purchased Securities nor the performance of the Company's obligations under this Agreement and all other Transaction Documents entered into by the Company relating thereto will:

(i) violate, conflict with, result in a breach of, or constitute a default (or an event which with the giving of notice or the lapse of time or both would be reasonably likely to constitute a default) under (A) the articles or certificate of incorporation, charter or bylaws of the Company, (B) to the Company's knowledge, any decree, judgment, order, law, treaty, rule, regulation or determination applicable to the Company of any court, governmental agency or body, or arbitrator having jurisdiction over the Company or over the properties or assets of the Company or any of its Affiliates, (C) the terms of any bond, debenture, note or any other evidence of indebtedness, or any agreement, stock option or other similar plan, indenture, lease, mortgage, deed of trust or other instrument to which the Company or any of its Affiliates is a party, by which the Company or any of its Affiliates is bound, or to which any of the properties of the Company or any of its Affiliates is subject, or (D) the terms of any "lock-up" or similar provision of any underwriting or similar agreement to which the Company, or any of its Affiliates is a party except the violation, conflict, breach, or default of which would not have a Material Adverse Effect; or

(ii) result in the creation or imposition of any lien, charge or encumbrance upon the Purchased Securities or any of the assets of the Company or any of its Affiliates, except in favor of Subscriber as described herein; or

(iii) result in the activation of any anti-dilution rights or a reset or repricing of any debt, equity or security instrument of any creditor or equity holder of the Company, or the holder of the right to receive any debt, equity or security instrument of the Company nor result in the acceleration of the due date of any obligation of the Company; or

(iv) result in the triggering of any piggy-back or other registration rights of any person or entity holding securities of the Company or having the right to receive securities of the Company.

(g) The Purchased Securities. The Purchased Securities upon issuance:

(i) are, or will be, free and clear of any security interests, liens, claims or other encumbrances, subject only to restrictions upon transfer under the 1933 Act and any applicable state securities laws;

---

(ii) have been, or will be, duly and validly authorized and on the date of issuance of the Purchased Securities, the Purchased Securities will be duly and validly issued, fully paid and non-assessable;

(iii) will not have been issued or sold in violation of any preemptive or other similar rights of the holders of any securities of the Company or rights to acquire securities of the Company; and

(iv) will not subject the holders thereof to personal liability by reason of being such holders.

(h) Litigation. (b) The Subscribers agree to indemnify, hold harmless, and reimburse the Company, the Company's officers, directors, agents, Affiliates, members, managers, control persons, and principal shareholders, against any claim, cost, expense, liability, obligation, loss or damage (including reasonable legal fees) of any nature, incurred by or imposed upon them or any such person which results, arises out of or is based upon liability that occurs as a result of an adjudication or finding by a court of competent jurisdiction of a material misrepresentation by the Subscribers in this Agreement or in any Exhibits or Schedules attached hereto or in any Transaction Documents. Notwithstanding the forgoing, in no event shall the liability of the Subscriber or permitted successor hereunder, or under any Transaction Documents or other agreement delivered in connection herewith, exceed the Purchase Price paid by such Subscriber.

---

(c) Each person entitled to indemnification under this Section 7 (for the purpose of this Section 7(c) only, an "**Indemnified Party**") shall give notice as promptly as reasonably practicable to each party required to provide indemnification under this Section 7 (for the purpose of this Section 7(c) only, an "Indemnifying Party") of any action commenced against or by it in respect of which indemnity may be sought hereunder, but failure to so notify an Indemnifying Party shall not release such Indemnifying Party from any liability that it may have, otherwise than on account of this indemnity agreement so long as such failure shall not have materially prejudiced the position of the Indemnifying Party. Upon such notification, the Indemnifying Party shall assume the defense of such action if it is a claim brought by a third party, and after such assumption the Indemnifying Party shall not be entitled to reimbursement of any expenses incurred by it in connection with such action except as described below. In any such action, any Indemnified Party shall have the right to retain its own counsel. The Indemnifying Party shall not be liable for any settlement of any proceeding effected without its written consent (which shall not be unreasonably withheld or delayed by such Indemnifying Party), but if settled with such consent or if there be final judgment for the plaintiff, the Indemnifying Party shall indemnify the Indemnified Party from and against any loss, damage or liability by reason of such settlement or judgment.

8. Anti-dilution and Purchase Rights.

(a) Right of Participation. For twelve months after the Closing, the Subscribers shall have the right to purchase up to 25% of the securities offered by the Company in any subsequent offering (the "Follow-On Financing") upon the same terms as offered to all other offerees. The Subscribers shall be given not less than ten Business Days prior written notice (the "**Notice of Sale**") of any proposed Follow-On Financing and shall have the right during the ten Business Days following receipt of the Notice of Sale to purchase the securities offered in the Follow-On Financing.

---

(b) Anti-Dilution Adjustment. Other than in connection with Excepted Issuances (as such term is defined in the last sentence of this Section 8(b)), if within twelve months following the initial Closing of the sale of Shares in the Offering, the Company shall issue without the consent of the Majority Holders any Common Stock or securities convertible into or exercisable for shares of Common Stock (or modify the conversion or exercise price of any of the foregoing which may be outstanding) to any person or entity at a price per share which shall be less than 100% of the price per share of the Shares purchased by such Subscriber (including any issuances of securities in connection with the closing of a registered primary offering of any securities of the Company in any jurisdiction), subject to adjustment for stock dividends, subdivisions and combinations (the "**Lower Price Issuance**"), then the Company shall issue, for each such occasion, additional shares of Common Stock to the Subscriber respecting the Purchased Securities that are then still owned by the Subscriber at the time of the Lower Price Issuance so that the average per share purchase price of the Purchased Securities owned by the Subscriber on the date of the Lower Price Issuance plus such additional shares issued to Subscriber pursuant to this Section 8(b) is equal to such other lower price per share. The delivery to Subscriber of the additional shares of Common Stock shall be not later than the 5 Business Days after the closing date of the transaction giving rise to the requirement to issue additional shares of Common Stock. For purposes of the issuance and adjustment described in this Section 8(b), in the case of the issuance of securities convertible into or exercisable for shares of Common Stock, the price per share shall be deemed to be the quotient obtained by dividing (i) the sum of (A) the price paid for such derivative security plus (B) the aggregate amount of consideration to be paid upon conversion or exercise price of such security for the maximum number of shares for which the derivative security may be converted or exercised, by (ii) the total number of shares of common stock issuable upon conversion or exercise price of such security for the maximum number of shares for which the derivative security may be converted or exercised. The adjustment described in this Section 8(b) shall be made immediately upon the earlier of (x) the issuance of the derivative security or (y) the Company entering into an agreement to issue the derivative security, in each case at a price lower than the price per Share in the Offering (which price is subject to adjustment for stock dividends, subdivisions and combinations), but such adjustment shall not be made again upon any issuance of shares of Common Stock upon conversion of such derivative security. Any Common Stock or derivative security issued or issuable by the Company for no consideration or for consideration that cannot be determined at the time of issuance will be deemed issuable or to have been issued for \$0.01 per share of Common Stock. The rights of Subscriber set forth in this Section 8 are in addition to any other rights the Subscriber has pursuant to this Agreement, any Transaction Documents, and any other agreement referred to or entered into in connection herewith or to which Subscriber and Company are parties. For purposes hereof, "**Excepted Issuances**" means the (i) Company's issuances of securities comprising the full or partial consideration in connection with a strategic merger, acquisition, consolidation or purchase of substantially all of the securities or assets of a corporation or other entity that has been approved by a majority of disinterested directors of the Company and in which holders of such securities or debt are not at any time granted registration rights, (ii) the Company's issuance of securities in connection with strategic license agreements and other partnering arrangements so long as such issuances are not for the purpose of raising capital and which holders of such securities or debt are not at any time granted registration rights, (iii) the Company's issuance of common stock or its issuances or grants of options to purchase common stock to employees, directors, and officers of the Company pursuant to any stock or option plan duly adopted for such purpose, by a majority of the non-employee members of the Board of Directors or a majority of the members of a committee of non-employee directors established for such purpose, and (iv) the Company's issuances of securities upon the exercise or exchange of or conversion of any securities exercisable or exchangeable for or convertible into shares of common stock issued and outstanding on the date of this Agreement, provided that such securities have not been amended since the date of this Agreement to increase the number of such securities or to decrease the exercise price, exchange price or conversion price of such securities.
